Long-term stress can rewire the brain, making you more susceptible to anxiety and depression. However, studies now show that massage is extremely effective at reducing stress, lowering levels of anxiety and even improving the healing and comfort of cancer patients.

In one study out of the University of Miami 34 breast cancer patients were randomly assigned to receive massage or to a control group. Those who had 30-minute massages three times a week were 46 percent less depressed, 25 percent less anxious and 50 percent

Longtime CV resident announces formation of Robbi Campbell Properties

As one of the first residents of Carmel Valley since it was built in 1984, Robbi Campbell's love of the community continues to grow year after year. Campbell's strong knowledge of her community made the focus on Carmel Valley a natural fit when she began her career in real estate in 1994 at Prudential California Realty.

After more than 15 years in the business, this month Campbell unveiled her newest venture, Robbi Campbell Properties, featuring a new team and brokerage that is better and stronger than ever.

"As a longtime member of the community, my dedication to Carmel Valley and the surrounding neighborhoods has never been stronger," said Campbell. "Our team is truly dedicated to delivering more cutting edge, personalized service to our clients."

Campbell has been well-known in her community for years and recognized for her team's excellence in the real estate business. For the past seven years, Campbell has been in the real estate partnership of Campbell & Cohen. Their team was voted the No. 1 Real Estate Team in Carmel Valley/Del Mar four years in a row (2003-2006) by readers of the *Carmel Valley News/Del Mar Village Voice*, demonstrating their commitment to the community and knowledge and passion for Carmel Valley.

Campbell's desire to better serve her clients led her to re-team with brokerage firm Windermere Exclusive Properties. Local Windermere owner Steve Rodgers and branch manager Dixie Courtney were part of the management team of Prudential when Campbell began her career in the industry. Windermere's commitment to excellence solidified Campbell's decision to make the switch.

"Robbi is one of the best in the business, and I could not be more honored to have her join our team and thrive as the natural leader she is in the industry," said Rodgers. "She and Brad bring so much expertise and care to their clients that they will continue to dazzle them with their top notch service and follow up."

The Robbi Campbell Properties team: Brad Fomon, Robbi Campbell and Deb Hillstrom.

Campbell is an active member of the Carmel Valley community, with a strong focus on community service. She holds an annual garage sale in the Ashley Falls neighborhood with a portion of the proceeds donated to the local PTA. Additionally, she raises money for the local fire department, a cause close to her heart.

The Robbi Campbell Properties team also includes local residents Brad Fomon and Deb Hillstrom. Fomon has been a Carmel Valley resident since the age of 5. Since joining Campbell's team, Fomon's knowledge of building development and strong sales ability has made him an invaluable team member with strong expertise in the industry.

As a native to San Diego and longtime Carmel Valley resident of 24 years, Hillstrom's experience and knowledge of all the amenities San Diego has to offer makes her a true asset as a licensed assistant, transaction coordinator and notary to Robbi Campbell Properties.

With a new team and new brokerage, Campbell is thrilled to show her clients what services are now available to them. You can contact Robbi Campbell Properties at 858-436-3290 or www.robbicampbell.com.
