**Southern California's Leading Day Spa Celebrates 15 Years in Business with  
New Rancho Santa Margarita Location**

*Spa Gregorie's Moves Into 5,150 Square Foot Custom Venue,  
Introduces New Amenities in Unrivaled Setting*

**Rancho Santa Margarita, CA (April 2013)** —On the heels of their 15<sup>th</sup> anniversary with three successful locations in Southern California, numerous national accolades and hundreds of thousands of dollars raised for philanthropy, Spa Gregorie's Principal Angela Cortright is set to announce the next chapter for the one of the nation's leading day spas with a big move. In June 2013, after seven years in the current Rancho Santa Margarita location, Spa Gregorie's will unveil a sleek and contemporary new day spa and wellness center, in the heart of Rancho Santa Margarita less than one mile from its current location. Further demonstrating their unwavering dedication to the surrounding community, Cortright, along with her ground floor management team are making a true investment in the community with the multi-million dollar launch of the space. Located on 30212 Tomas and home to respected health and wellness professionals, the complex will now house the 5,150 square-foot custom-built day spa featuring cutting-edge new amenities and modalities.

Cortright, a respected industry innovator who has successfully led the Spa Gregorie's brand into the forefront of the Southern California spa scene, is once again setting the tone for progressive service standards. Eleven sparkling treatment suites will accompany the new facilities; including a state-of-the-art wet room customized for healing, harmonizing and therapeutic body services. New cutting-edge features include anti-stress zero gravity chairs that will be situated in the luxurious manicure and pedicure suite as well as meditation stations equipped with digital tablets to guide guests through meditation practices. As one of the first spas nationwide to cultivate awareness of the importance of meditation practices, the stations will offer pre-service tranquility under a LED-enhanced "starry night" ceiling façade in the luxurious quiet room.

With a pedigreed team of design professionals assembled to bring the vision to fruition, Cortright has hired esteemed Orange County architect Niall Saunders and spa design veteran Raad Ghantous & Associates to head up the architecture and design. In addition to luxurious new treatment rooms, spa-goers can indulge in an impressive array of amenities including a eucalyptus steam rooms, luxurious robes and locker rooms, and an alluringly stylish retail and reception area boasting clean lines and oversized chandeliers. A six station loft-inspired salon will sit adjacent to the entrance with art installations and a glass surround. An elegantly appointed quiet room will provide a haven for spa guests to relax, renew, and enjoy soothing teas, healthy snacks, as well as the guided meditation stations.

Spa Gregorie's transcends the traditional luxury spa experience by extending an unparalleled commitment to the Rancho Santa Margarita community through various endeavors. Spa Gregorie's has supported over 100 local programs with thousands of dollars raised for the Child Abuse Services center, Down Syndrome of OC, Junior League of Orange County, OC High School of Performing Arts, Rancho Santa Margarita Civic Plaza and more. "Giving back to the neighborhood that has given so much to us is our top priority. We feel so blessed to have served Rancho for the past seven years and we can't wait for this next step in our progression as industry leaders. We're here to stay!" said Cortright.

*Spa Gregorie's will vacate their current location on May 31 and will be closed for two days until re-opening at their stunning new facility. Construction on 30212 Tomas is under way now. VIP grand opening festivities will be announced soon. **For more information about Spa Gregorie's Rancho Santa Margarita please visit [www.spagregories.com/rsm/](http://www.spagregories.com/rsm/).***

###
